

morpheus skincare services

classic facial

\$60

This facial starts with a deep cleansing and massage to clean and purify the skin followed by a personalized treatment mask. Next a gentle surface peel or a gentle refiner depending on your needs. To finish, a personalized moisturizer and sunblock will leave you with the protection and glow of younger looking skin.

diamond microdermabrasion

Face only, \$120

Face and neck, \$125

Chest, \$100

Face, neck and chest, \$200

A non-surgical skin refinishing procedure, by using sterile diamond heads to abrade or rub off the top skin layer, then vacuuming out the particles along with any dirt and dead skin.

Reduces pore size and helps stimulate cell turnover. Helps reduce the appearance of skin hyper pigmentation and "age spots". Helps firm skin and tone muscles. Produces pure de-toxifying oxygen on the face. Helps eliminate and protect against problem causing bacteria that can cause acne and other skin problems. Helps oxidize sebum on the skin and in the pores.

glycolic exfoliation peel

\$85

A professional exfoliation peel that gently lifts away the outermost layers bringing new skin cells to the surface. This will promote the growth of healthier skin cells that minimize fine lines, pigmentation, discoloration, and acne. It will improve skin tone and elasticity leaving the skin radiant and refined. A series of six treatments are recommended for maximum benefit.
